

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Directions:** Tell students to use Worksheet 3 and 4 as a word bank for writing about solutions. They can write or paste responses for the blanks below.

When conducting research, you gather \_\_\_\_\_ to learn.

\_\_\_\_\_ includes observing and collecting data.

Scientists learn from research and \_\_\_\_\_.

### Presentation Checklist

1. Can I tell about the inquiry and research?

**WORDS**

2. Do I know how to say all of the words?

3. Can I tell a partner what I learned?

4. Can I tell the group what I learned?

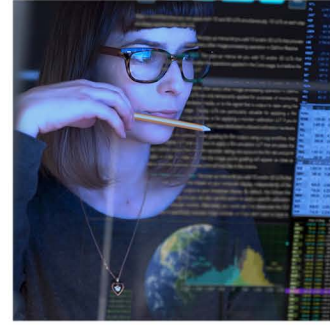

**Response Options**

report

inquire
