Questions and Answers

1. How do I become a volunteer?

Any person interested in volunteering may do so by contacting the volunteer coordinator at the desired school or by calling the district office.

2. What are the qualifications to become a school volunteer?

The qualifications needed to be a school volunteer are a personal desire to help, a sincere interest in students, an ability to follow school procedures and policies, and a willingness to make a definite time commitment. Any training that is needed will be provided by the teacher or the School Volunteer Coordinator. A teaching background is not required as volunteers work under the direction of a school's professional staff.

3. May I bring my pre-school child with me?

No, bringing pre-school children with you to school presents a liability problem for the school. In addition, having a very young child in a classroom interrupts class procedures, disrupts the students and prevents the volunteer from giving full attention to the work the teacher has prepared. You can, however, still help the school by making arrangements to do work at home.

4. When friends and neighbors ask me about school, what may I tell them?

Volunteers can be a big help in representing the school to the community. We want you to talk about your school and your involvement. You may have access to "privileged information" which, naturally, should be treated as such. "Privileged information" is defined as personal records, grades, test scores, behavior and attitude of students. This is important school business and should never be discussed outside of the school.

Criticizing school personnel and practices is not acceptable. Your job in school is as a professional working with other professionals.

Questions and Answers Continued

5. May I choose the teacher with whom I wish to work?

Volunteers are only placed in classrooms where teachers have specifically requested their assistance. The School Volunteer Coordinator and the Principal at the individual school make the decisions about placement of volunteers.

6. What if I am not happy with the job assigned to me?

Feel free to say so. Communicate with the School Volunteer Coordinator. Every effort is made to place volunteers in a situation which matches the needs of both the volunteer and the job. Teachers also have the opportunity to ask for a different assignment for a volunteer.

7. What do I do about discipline?

Disciplinary action is the responsibility of teachers. Volunteers should never be put in a position of having to enforce discipline. If you are having a problem, immediately inform the teacher.

8. What should I do if I am unable to be at the school at my assigned time?

As soon as you are aware that you will be unable to be at the school at your assigned time, call school personnel to let them know. The teacher has planned his/her schedule according to the time that you have agreed to help. If possible, please keep your assigned schedule.

9. Why is it important for me to sign-in and out each time I volunteer at a school?

There are many reasons this requirement is necessary, such as maintaining school security and verification of volunteer service which can be used as work experience for future employment. The school may also be eligible for the Golden School Award presented each year by the Florida Department of Education for outstanding volunteer programs. This award is based upon the number of volunteer hours recorded at each school.

Bullying

Remember, EVERYONE has the right to be respected and has the responsibility to respect others. Consequences for a visitor or volunteer found to have committed an act of bullying will be determined by the School Administrator after consideration of the nature and circumstances of the act.

There are also severe consequences listed in the policy for anyone who wrongly and intentionally accuses another of bullying.

The Sumter County School Board will not tolerate bullying and harassment of any type. Conduct that constitutes bullying and harassment, as defined in Board Rule (5.321), is prohibited.
