

## **FOOD SERVICE FUND**

“Fueling the next generation today by providing students with a variety of healthy meal choices” is the mission of the Food Service department.

This fund is used to account for the special revenues that are generated in our Food Service Operations. The Department of Food Service is a self-funded operation which receives revenue from federal and state meal reimbursements and from local funds such as student payments for meals. The revenues generated in this fund may only be expended for the benefit of food service operations.
