

Sumter Virtual School (SVS) is a franchise of FLVS utilizing their Learning Management System (LMS) and curriculum. SVS uses teachers hired by our district. Homeschool students must complete a letter of intent to homeschool and may use SVS as their curriculum of choice. As a homeschool parent, it is your responsibility to ensure that your student meets the promotion/graduation requirements. Graduation requirements may be found at <https://www.fldoe.org/contact-us/search.stml?q=graduation+requirements>. Graduation requirements are based on when a student enters 9<sup>th</sup> grade. Make sure to check the website at least once per year due to legislative updates.

If you are a senior seeking a diploma through SVS you must contact the Supervisor of School Choice at 352-793-2315 ext. 50312 to sign up for Sumter Virtual School as a full-time student. Students seeking a diploma must meet all graduation requirements set forth by the Florida Department of Education including all testing requirements. Students who need to test will contact their zoned school testing coordinator no later than 1 month prior to the testing window opening. The Florida Statewide Assessment Schedule is located on our website at <https://www.sumter.k12.fl.us/Page/6663>. Seniors must take and complete the last 3.5 credits in one semester through Sumter Virtual School in order to be considered as full-time.
