To Whom It May Concern:

This letter is to confirm that Remind is a sole source product, manufactured, sold and distributed exclusively by Remind. No division of Remind, nor any other company, makes a similar or competing product. This product must be purchased directly by institutions from Remind at the address listed above.

No agents, resellers or dealers are authorized to represent or sell this product. Additionally, competition is precluded by the existence of our proprietary technology, as well as by the existing user base of over twenty-five million teachers, parents and students already using Remind. Remind offers a unique and broad suite of messaging functionality, as well as integrations with key third-party systems, tools and standards, such as Canvas and LTI; no other like item(s) or product(s) are available for purchase that would serve the same purpose or function and there is only one price — absent specific customer actions negotiated directly with Remind that lead to the customer obtaining discounts from the sole price -- for the above named item(s) or product(s).

If you desire additional information, don't hesitate to contact us at (415) 796-6721 at any time or visit our website at www.remind.com. Thank you for your interest in Remind and our product.

Sincerely,

Winston Wu
